Purpose

Women for ATSU is a membership program that provides awareness and philanthropic support to A.T. Still University. Supporting ATSU's programs and students gives members an opportunity to impact healthcare.

Membership

Members include individuals in our community, business partners, University employees, and alumni. Annual dues are pooled in a fund that members direct toward scholarships, programs, and healthcare education projects at the University.

Membership dues are a minimum of \$500 annually with a special ATSU alumni rate of \$250 for those who graduated since 2010. Dues can be paid in full or in increments. The funds are tax deductible to the extent allowed by law: the University is a 501 (c)3.

Women for ATSU Presents events

Members are invited to attend – at no charge – Women for ATSU hosted events that take place between October and May. These events feature short presentations that focus on health related topics. These gatherings provide members and their guests an opportunity to keep updated on key health issues and to interact with scholarship recipients and other Women for ATSU members.
